Dear Friends,

The Tibetan Association of Washington, with the cooperation of Seattle Center, is pleased to announce the celebration of the 21st annual NW Tibetan festival titled "TIBET FEST 2016" to be held on August 27th and 28th at the Seattle Center. The festival will showcase the people of the Himalayas who share a common heritage and cultural traditions, as well as arts and crafts. Previous years' festivals were estimated to have been attended by more than 20,000 people. This year it promises to be even more successful.

Proceeds from the event will be used to undertake the Association's objectives of contributing to the preservation of the unique Tibetan culture and heritage, funding our Sunday School Tibetan Language and Cultural Class which is open to all.
